

Canal Streetcar Line

The Canal Streetcar has two branches: Cemeteries and City Park/Museum of Art. Look for the destination sign at the front of your red streetcar. Frequent service every 10 minutes is operated most of the day between Harrah's Casino and Riverfront to Carrollton and Claiborne, then the line branches into two – Cemeteries and City Park/Museum.

The Cemeteries branch serves the historic Cemeteries district and the streetcar is a short walk to the Cemeteries transit center (lines 27 - Louisiana, 45 - Lakeview, 60 - Hayne, 91 - Jackson/Esplanade, E1 - Veterans Blvd, E4 - Metairie Road). The City Park/Museum Leg runs every 40 minutes from Harrah's Casino and the Riverfront and serves the Museum of Art and City Park. Both great places to go spend the day.

How to Read the Timetables – Cómo Leer los Horarios

Time point – Use the time point before your location to estimate when the streetcar will reach your stop. For your reference, time points are numbered in the schedules, but not at the actual locations. They appear here in sequence according to the direction the streetcar is going. If your stop is between time points, arrive at the time shown for the preceding time point.

Punto de Tiempo – Use el punto de tiempo antes de su parada para estimar a qué hora llegará el tranvía su parada. Para su referencia, los tiempos de recorrido tienen un número en los horarios, pero no en los sitios o paradas. Aparecen aquí en secuencia de acuerdo al sentido en que va el tranvía. Si su parada de tranvía está entre tiempos de recorrido, llegue a la hora indicada para el tiempo de recorrido anterior.

Streetcar Accessibility / Tranvía de accesibilidad

The St. Charles Streetcar line uses green streetcars that were built in the early 20th century. These green streetcars are designated as national historic landmarks and are not wheelchair accessible. Red streetcars operated on the Canal and Riverfront lines are wheelchair accessible. La línea de tranvía St. Charles utiliza tranvías verdes que se construyeron en el siglo 20. Estos tranvías verdes son designados como lugares de interés histórico nacional y no están adaptadas para personas minusválidas. Red tranvías operados en el Canal y las líneas de Riverfront adaptadas para personas minusválidas.
